Rising Kindergarten	Call 893-8743 for more detailed information on each course. Pre-testing, post-testing and a written report are part of most courses. Students enrolled in these classes need to have appropriate school behavior. They need to be able to sit for 10 to 15 minutes, follow teacher directions and participate in the learning process. Students cannot be a distraction to other students. These classes are under the direction of a certified, experienced teacher. Teaching assistants are used to provide a significant amount of individualized practice for each student.
